# ABOUT THE AWARD

---

The Algernon Sydney Sullivan Award was established in 1890 to honor individuals who exhibit virtuous civic leadership, exemplified by selfless service to others and the community. This is the University of Mississippi's highest award in honor of service. Award criteria emphasize placing service to others and the community before oneself, while embodying the qualities of honesty, morality, ethics, integrity, responsibility, determination, courage, and compassion. Individuals who do not actively seek recognition are prime candidates for this award.
